■ Do elevators have adequate security measures in place to address local conditions? Are elevator cabs and landing areas well lit? Security options include:

- Limiting use and access to authorized individuals.
- Installing elevators in the main lobby or other areas with good visual surveillance.
- Including a 5-foot-deep landing area in front of the elevator, out of hallway traffic, to minimize traffic conflicts.
- Installing video cameras in front of and within elevator cabs.
- Providing elevator recall and emergency message capability.
